CONVENIENT, COMPREHENSIVE OUTPATIENT CARE

Perfect for those who have already completed a residential or inpatient program and are looking for a step-down option or someone who doesn't require a higher level of care, The Meadows Outpatient Center-Denver is based on our time-tested Meadows Model.

ABOUT US

Conveniently located in the Denver Tech Center area near I-25 and I-225, we offer partial-hospitalization and intensive outpatient levels of care to address substance use, mental health, and trauma in a welcoming and homey environment. The scenic Rockies and fresh mountain, air paired with our proven approach, make The Meadows Outpatient Center the ideal place to begin your recovery journey.

WHAT WE OFFER

- PHP & IOP levels of care
- Group/individual therapy
- Clinical assessments
- Individual treatment planning
- Psychiatric services
- Neurofeedback
- Family work
- Alumni services
- Random drug screening
- Discharge planning/aftercare

WHO WE TREAT

We treat adults 18 and older for addiction and mental health issues. Our programs are ideal for anyone who requires outpatient care to transition smoothly back to everyday life or start the recovery process.

PROGRAMMING

We use a wide range of therapeutic modalities from Cognitive Behavioral Therapy and Dialectical Behavior Therapy to trauma-informed care, Internal Family Systems, EMDR, and brainspotting. Expressive arts, relapse prevention education, nutritional consultation, and other holistic options round out our offerings. Our on-site psychiatrist and nurse practitioner are available to perform psychiatric evaluations and provide program oversight.

IOP LEVEL OF CARE

- 8 weeks/12+ hours per week
- Weekly individual therapy
- On-site neurofeedback
- Peer support
- Friday treatment activities (trauma-sensitive yoga, tai chi, qigong, acupuncture, acupressure, expressive arts)

PHP LEVEL OF CARE

- Up to 4 weeks/25+ hours per week
- Weekly individual therapy
- On-site neurofeedback
- Weekly medication management
- Case management
- Self-care skills
- Preparation for IOP level of care

If this option isn't right for you, we also offer Virtual IOP for all Colorado residents.

BRAIN CENTER

In our dedicated Brain Center, patients enjoy utilizing state-of-the-art equipment designed to promote self-regulation skills, which improves both physical and mental health. This center includes zero-gravity massage chairs, Hemi-Sync brainwave technology, cranial electrotherapy stimulation (CES), audio-visual stimulation with CES, heart rate variability (HRV) biofeedback, Muse brain-sensing headbands, and chi machines to improve energy, brain regulation, and promote healthy circulation and oxygenation.

MICHAEL SIMMS, MSW, LCSW, LAC, CSAT, CIFST, ADS Director of Outpatient Services-Denver

A Denver native who has lived his whole life in Colorado, Michael Simms earned his Master of Social Work from Metropolitan State University of Denver. A Licensed Clinical Social Worker, Licensed Addictions Counselor, Certified Sex Addiction Therapist, and Certified Internal Family Systems Therapist, he is also an Acudetox Specialist.

For Simms, this career is a personal as well as a professional choice. After his own recovery from substance use disorder and trauma, he realized how powerful the recovery journey could be. An amazing therapist and coach made all the difference for him, which led to a new career path where he could offer that same support to others in their recovery journey.
