## CONVENIENT, COMPREHENSIVE OUTPATIENT CARE

Perfect for those who have already completed a residential or inpatient program and are looking for a step-down option or someone who doesn't require a higher level of care, The Meadows Outpatient Center-Dallas is based on our time-tested Meadows Model.

### ABOUT US

Our proven treatment approach and serene setting just outside the hustle and bustle of downtown Dallas makes The Meadows Outpatient Center the ideal place for anyone in the Dallas-Fort Worth area to begin their journey of recovery.

### WHAT WE OFFER

- PHP & IOP levels of care
- Group/individual therapy
- Clinical assessments
- Individual treatment planning
- Psychiatric services
- Neurofeedback
- Family work
- Alumni services
- Random drug screening
- Discharge planning/aftercare

### WHO WE TREAT

We treat adults 18 and older for addiction, a wide range of mental health issues, and men's and women's sex addiction. Our programs are ideal for anyone who requires outpatient care to transition smoothly back to everyday life or begin their recovery.

## PROGRAMMING

We use a wide range of therapeutic modalities from Cognitive Behavioral Therapy and Dialectical Behavior Therapy to trauma-informed care, Internal Family Systems, EMDR, and neurofeedback. Expressive arts, relapse prevention education, nutritional consultation, and other holistic options round out our offerings. All our therapists are PIT-trained, focusing specifically on the developmental trauma model, and our on-site psychiatrist is available to perform evaluations and provide oversight.

### IOP LEVEL OF CARE

- 8 weeks/12+ hours per week
- Weekly individual therapy
- On-site neurofeedback
- Peer support
- Friday treatment activities (trauma-sensitive yoga, tai chi, qigong, acupuncture, acupressure, expressive arts)

### PHP LEVEL OF CARE

- Up to 4 weeks/25+ hours per week
- Weekly individual therapy
- On-site neurofeedback
- Weekly medication management
- Case management
- Self-care skills
- Preparation for IOP level of care

If this option isn't right for you, we also offer **Virtual IOP** for all Texas residents.

## BRAIN CENTER

In our dedicated Brain Center, patients enjoy utilizing state-of-the-art equipment designed to promote self-regulation skills, which improves both physical and mental health. This center includes zero-gravity massage chairs, Hemi-Sync brainwave technology, cranial electrotherapy stimulation (CES), audio-visual stimulation with CES, heart rate variability (HRV) biofeedback, Muse brain-sensing headbands, and chi machines to improve energy, brain regulation, and promote healthy circulation and oxygenation.

### ANDREA CHANDLER, LPC

*Director of Outpatient Services-Dallas*

Andrea Chandler brings a wealth of experience and dedication to her role at The Meadows Outpatient Center-Dallas, where she leads a unique and committed team that oversees the care of more than 90 patients daily. Born and raised in Rockwall, Texas, Chandler earned her master's in applied psychology from Texas A&M University-Commerce. Her extensive background includes working with court-ordered IOP clients, children's outpatient programs, and as a family program therapist at The Meadows Texas. She is passionate about helping those affected by trauma and addiction and thrives on developing creative interventions tailored to each patient's needs. Outside of work, Chandler enjoys quilting and caring for her three dogs and two horses.
